1. Unlike in-network (INN) providers that have agreed to negotiated fees for services, out-of-network (OON) providers have no contract with Dominion or Dominion's leased dental networks. As such, OON providers set their own fees and Dominion only reimburses the member based on the established INN fee schedule, which is determined by the geographic area where the expenses are incurred. This means that if the OON provider's fee is higher than Dominion's INN fee schedule, the member will be billed the remaining balance to cover the OON provider's fee.

- If course of treatment is to exceed $300, prior review is recommended.

Plan will pay either the Participating Dentist's negotiated fee or the Maximum Allowable Charge (subject to benefit coverage percentage) for dental procedures and services as shown below, after any required Annual Deductible.

1. Unlike in-network (INN) providers that have agreed to negotiated fees for services, out-of-network (OON) providers have no contract with Dominion or Dominion's leased dental networks. As such, OON providers set their own fees and Dominion only reimburses the member based on the established INN fee schedule, which is determined by the geographic area where the expenses are incurred. This means that if the OON provider's fee is higher than Dominion's INN fee schedule, the member will be billed the remaining balance to cover the OON provider's fee.

- If course of treatment is to exceed $300, prior review is recommended.

Plan will pay either the Participating Dentist's negotiated fee or the Maximum Allowable Charge (subject to benefit coverage percentage) for dental procedures and services as shown below, after any required Annual Deductible.

1. Unlike in-network (INN) providers that have agreed to negotiated fees for services, out-of-network (OON) providers have no contract with Dominion or Dominion's leased dental networks. As such, OON providers set their own fees and Dominion only reimburses the member based on the established INN fee schedule, which is determined by the geographic area where the expenses are incurred. This means that if the OON provider's fee is higher than Dominion's INN fee schedule, the member will be billed the remaining balance to cover the OON provider's fee.

1. Unlike in-network (INN) providers that have agreed to negotiated fees for services, out-of-network (OON) providers have no contract with Dominion or Dominion's leased dental networks. As such, OON providers set their own fees and Dominion only reimburses the member based on the established INN fee schedule, which is determined by the geographic area where the expenses are incurred. This means that if the OON provider's fee is higher than Dominion's INN fee schedule, the member will be billed the remaining balance to cover the OON provider's fee.

- If course of treatment is to exceed $300, prior review is recommended.

Plan will pay either the Participating Dentist's negotiated fee or the Maximum Allowable Charge (subject to benefit coverage percentage) for dental procedures and services as shown below, after any required Annual Deductible.

1. Unlike Participating Dentists that have agreed to negotiated fees for services, Non-Participating Dentists have no contract with Dominion or Dominion's leased dental networks. As such, Non-Participating Dentists set their own fees and Dominion only reimburses the Member based on the Maximum Allowable Charge, a limitation on the billed charges by a Non-Participating Dentist as determined by the geographic area where the expenses are incurred. This means that if the Non-Participating Dentist's fee is higher than Dominion's Maximum Allowable Charge, the Member will be billed the remaining balance to cover the Non-Participating Dentist's fee.

- If course of treatment is to exceed $300, pre-authorization is recommended. This is not mandatory but would allow the Member to see the cost of treatment prior to services.

Plan will pay either the Participating Dentist's In-Network Allowed Amount or the Out-of-Network Maxmium Allowable Charge (subject to service coverage percentage) for dental procedures and services as shown below, after any required annual deductible.

1. Unlike in-network (INN) providers that have agreed to negotiated fees for services, out-of-network (OON) providers have no contract with Dominion or Dominion's leased dental networks. As such, OON providers set their own fees and Dominion only reimburses the member based on the established INN fee schedule, which is determined by the geographic area where the expenses are incurred. This means that if the OON provider's fee is higher than Dominion's INN fee schedule, the member will be billed the remaining balance to cover the OON provider's fee.

- If course of treatment is to exceed $300, prior review is recommended.

Plan will pay either the participating dentist's negotiated fee or the maximum allowable charge (subject to service coverage percentage) for dental procedures and services as shown below, after any required annual deductible.

There is a $50 deductible per adult Member per Calendar Year and the single adult deductible amount must be met prior to satisfying the three or more adults deductible. For three or more adults, the total combined maximum deductible amount for all adult Members is $150 per Calendar Year at which point the deductible is waived for remaining adult Members.

1. Unlike in-network (INN) providers that have agreed to negotiated fees for services, out-of-network (OON) providers have no contract with Dominion or Dominion's leased dental networks. As such, OON providers set their own fees and Dominion only reimburses the member based on the established INN fee schedule, which is determined by the geographic area where the expenses are incurred. This means that if the OON provider's fee is higher than Dominion's INN fee schedule, the member will be billed the remaining balance to cover the OON provider's fee.

- If course of treatment is to exceed $300, prior review is recommended.

Plan will pay either the Participating Dentist's negotiated fee or the Maximum Allowable Charge (subject to benefit coverage percentage) for dental procedures and services as shown below, after any required Annual Deductible.
